

727 Penns Park Rd. Wrightstown, PA 18940

November 2022

On a hot summer evening in July, what could be more fun for a rambunctious group of kindergarteners and their families than a visit to a local farm? How about reading a *book* about an alpaca, making a craft with *real* alpaca fur, sharing a sweet alpaca snack, and getting to meet (up close and personal) a *real* alpaca and a couple of llamas?

That is *exactly* the full-sensory experience that was enjoyed by the Kindergarten Book Club participants hosted by the Village Library of Wrightstown at the farm of the VanTols, patrons of the Village Library.

Milo models a hat made by Joan VanTol using yarn spun from her alpaca fiber

After 2 years of social distancing, families were eager to get back out into the

community and to interact with one another. In 2022, the Village Library was able to offer a variety of programs for children and adults to do just *that*.

Beyond providing you with print, video, and digital materials, here are just a few of our many offerings:

- Outdoor movie nights held every other week throughout the summer
- Many musical, historical, and informational programs for adults, as well as bi-weekly exercise classes and Friday morning chair yoga sessions
- Free museum passes to nearly a dozen venues located in Bucks County and the surrounding Philadelphia region, including the Elmwood Park Zoo and the Academy of Natural Sciences

Monthly virtual art classes facilitated by Anita Thompson of *Artventure Workshops*, proved to be one of our *most* popular programs for teens and adults. There's just something about being able to sit at your own kitchen table...in your PJs...maybe even with a glass of wine, while learning some new sketching or painting skills!

Attendance is free because support from patrons like *you* ensures that we are able to offer such amazing programming.

Please consider making a donation to the Village Library's Annual Appeal so that we may continue fulfilling our mission to meet the needs of our community through up-to-date reading materials, engaging programming, and reliable services.

Many thanks for your support!

Sincerely,
