

727 Penns Park Rd. Wrightstown, PA 18940

November 2023

Have you ever wondered what goes on in the library after it closes and all the lights go out?

*This* family, as well as many others, were able to find out by attending our first ever, “Family Camp-out at the Library” after dark. All participants enjoyed a story and songs around the “campfire”, a snack of walking s’mores, a pillow decorating craft, and building a family fort in the library. Perhaps the best fun of all, was participants getting to snuggle up with their family to read by flashlight!

Stay tuned for our second annual Family Camp-out in **March of 2024!**

If camping is not your thing, we have plenty of other materials, activities and events to spark your curiosity:

- *Family Movie Nights (outdoors, during the summer months), exercise and chair yoga classes, mahjong sessions, musical performances, educational programs, 4-H STEM programs, and lively story & activity times for the kids.*
- *If you would prefer to stay home, educational STEM Kits can be borrowed and enjoyed at home with your family as well as participation in virtual art classes.*

*It's always fun to read with friends!*

One of our most popular offerings is our Free museum passes to nearly a dozen venues located in Bucks County and the surrounding Philadelphia region, including the Elmwood Park Zoo and the Academy of Natural Sciences.

So young or old, bookish or not, the Village Library has something for you!

*Our successful program on the paranormal*

4-H Fun comes to the Library!

Attendance is free because support from patrons like *you* ensures that we are able to offer such amazing programming.

Please consider making a donation to our annual appeal so that we may continue fulfilling our mission to meet the needs of our community through up-to-date reading materials, engaging programming and reliable services for patrons of all ages.

Many thanks for your support!

Sincerely,

Rebecca Robins Hone,  
Library Director

*Use the QR code for easy giving*

P.S. Your donation *today* will help fund many enriching educational pursuits *tomorrow*.
